# Throttle Body & Carby Cleaner

Nulon Throttle Body and Carby Cleaner (Carb400) is specifically formulated to quickly and easily remove gum, sludge, varnish, grease and dirt build-up from carburettors, throttle bodies, automatic chokes, PCV and EGR valves.

#### Benefits:

- Dissolves carburettor deposits inside and out
- Dissolves throttle body deposits in fuel injection systems
- Cleans PCV and EGR valves
- Cleans automatic chokes
- Ensures smoother, trouble-free performance
- Reduces poor exhaust emissions
- Professional strength

#### **Directions:**

The aerosol can in which Nulon Throttle Body and Carby Cleaner is supplied provides full and accurate directions on how to use the product in all of the following applications:

# 1. Vehicles with Carburettors

- Carby exterior and linkages
- Carby throttle and combustion chamber deposits
- Automatic choke
- PCV valve

# 2. Vehicles with Fuel Injection

- Throttle body
- Combustion chamber deposits

**Note 1:** When used as directed on the can, Nulon Throttle Body and Carby Cleaner will not harm oxygen sensors or catalytic converters.

**Note 2:** If sprayed on car paint wash off immediately. This product will cause paint damage.

### Important:

- Do not allow cleaner to contact paint work
- Do not puncture, incinerate or store above 50°C
- Do not place can in direct sunlight or near heat or flame
- Use with adequate ventilation avoid prolonged or repeated breathing of vapours and avoid prolonged or repeated contact with skin or eyes
- Do not spray in eyes, mouth or on skin
- If sprayed in eyes flush with water
- If swallowed do not induce vomiting
- Keep out of reach of children
- Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal

#### Propellant - Carbon Dioxide

Product does not contain: 111 Trichlorethane

Carbon Tetrachloride

Silicone

### **Highly Flammable**

Dangerous Goods Class 2.1 (Miscellaneous Hazardous) – UN No. 1950

# Warning

Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal.

# Packaging:

400g per aerosol (6 cans per pack)

Part No: CARB400
